

Motorcycle

Key Features

The Foremost® Motorcycle program offers superior coverage, and more value, than many other policies on the market today. It offers many extra features such as coverage for helmets, safety apparel, transport trailers and trip interruption expenses.

The Foremost policy is an annual policy not a seasonal one, so customers can enjoy their bikes at any time of the year. Our rates take into account the fact that most driving takes place during the warmer weather, while providing the extra flexibility most bikers want. No off-season coverage problems. No mid-year cancellations. No extra paperwork: It all adds up to more convenience for everyone.

Coverage Highlights
